

Making a Biblical Marriage

Marriage is a divine institution, created by God for joy and stability, and it finds its greatest expression among those who know and walk with Him. The benefits of this book are instantaneous and long-lasting for those who apply its content. The book addresses the definition of marriage, role distinctions, how to walk with God, making wise choices, and developing good habits. The book is biblical, practical, and beneficial for individual reading as well as for study-groups as each chapter concludes with thought-provoking questions.

The Indian culture sets aside romance until after marriage the American culture makes romance the prerequisite for marriage. In India Marriage was the first institution given by God to mankind.
