

## Alien Implant

Roxy was abducted by aliens weeks ago and has undergone countless medical tests. No permanent damage had been done until she woke up with mechanical implants on her face. One of the aliens explains to her that the implants are part of his plan to help her escape. Roxy is thrilled at the thought of escape and quickly agrees to follow his instructions to the letter. But will she continue to follow his commands when she learns the full truth behind the implants? This paranormal erotic short story is about 3,300 words.
