

## Touch of Tenderness (Nurses of New York Book 3)

Nursing student Libby Green is devoted to her studies and loves the work she does, but she very much dislikes the role nurses play in the medical field. She wishes she had the chance to make a real difference, to share her opinion, to be heard rather than overlooked. When her mentor suggests that there just might be a way for that to happen, she realizes that perhaps she's not meant to be a nurse, but a doctor instead. Composer and pianist Lewis Franklin has come to New York seeking inspiration and maybe even a position with an orchestra. When an accident robs him of his sight, he leans on his music to hold him up during this uncertain time - his music, and a kind nurse with a gentle touch. Fate brought them together - now will fate tear them apart?
