

Candy Girl

Genre: Multicultural Contemporary
A self-proclaimed pushover, Julie Bennett has been the office Candy Girl, providing scrumptious treats for her co-workers and being thoroughly taken advantage of. A devastating betrayal sets her on a course of shedding her pushover image and into the arms of her hunky boss. Gabriel Carland has secretly lusted after Julie Bennett since he first laid eyes on her. The problem? She barely knows he's alive. Used to keeping his feelings in check, he sees his opportunity to be there for her after an emotional meltdown. One thing leads to another and finally gets her where he wants her. In his arms and in his bed. But one taste of her sweetness isn't enough. But Julie will have to get over old insecurities and give herself completely to the passion Gabe inspires within her and become his Candy Girl...
