

## Holiday Hair (Charles Worthington Dream Hair)

The Charles Worthington Dream Hair series is a unique take on hair and beauty publishing that really hits the beauty spot in a way that previous hair books have failed to do. These accessible, stylish, easy-to-use bibles based on real-life hair situations - Holiday Hair, Big Day Hair, City Hair and Big Date Hair - present the information about hair that girls really want, in a way that relates to their lifestyle, hair type and specific hair needs. User-friendly and effective, the salon experience is conveyed in book form - the indulgence factor, the one-on-one hair advice, the intimacy, the lifestyle, the relax philosophy and the professional secrets that you walk away with. The series combines a fictitious, scenario-based approach that focuses on the lives, loves, and hair dramas of four girls - Polly, Jaz, Laura and Kate - with the really useful hair stuff. Holiday Hair tells you everything you need to know to keep your hair in peak condition - strong, shiny and glossy - before, during and after your holiday, whatever the time of year or type of vacation. In addition, there are lots of easy styles that will guarantee you're the belle of the slopes, the beach-bar babe or the sexy chick-about-town. Modern, sleek, sensual and hip, with stunning visuals and an imaginative presentation of information, the Charles Worthington Dream Hair series are the hair books you simply can't live without.

Volume & Bounce Body Booster Mousse gives vital body, bounce, and control to lifeless hair. The formulation contains style memory technology to keep hair full. The Charles Worthington Dream Hair series is a unique take on hair and beauty publishing that really hits the beauty spot in a way that previous hair books have failed to do.
