

Co-creating at Its Best: A Conversation Between Master Teachers

You are not facers of reality. You are creators of reality. Abraham What happens when you bring together one of the most inspirational spiritual teachers of all time and the Master Sages of the Universe? A magical, insightful, invigorating encounter you will never forget! Before a live audience in Anaheim, California, Dr. Wayne W. Dyer sits down with Esther Hicks and the wise Collective Consciousness known as Abraham. Wayne asks all the questions he has accumulated from his more than 40 years of teaching others about self-reliance and self-discovery, and Abraham delivers the answers we all need to hear. While Wayne and Esther have been friends for years, this is the first time that he engages with Abraham in an extended dialogue about lifes many lessons and perplexing questions. Experience this extraordinary meeting of the minds for yourself! Topics include: Who is Abraham? Patanjali, Rumi, inspiration, and affirmations Parenting, parents, and the continuum of life Is there only love on the other side? Can we reach the state of love that has no opposite? Being a teacher (and giving up tenure) Dharma, destiny, and being on your path Was Steve Jobs pushing against? Dealing with bad news What does our duty call us to do? Are there ascended masters and guides? How individual is each soul? John of God and leukemia Monsanto and GMOs The mire of politics is and more! I am an incredible fan of Abraham. I think they are the wisest, most profound teachings on the planet today. Dr. Wayne W. Dyer
