Im sorry, darling, she whispered. I thought that it might help to restore your memory, jolt it back for you. But I havent succeeded, have I? Debra sighed wistfully. To think that we were so close, she continued. Her hand remained on Judys head, softly stroking the fine blonde hair, her fingers rubbing with the lightest possible touch against the girls neck. Only last night my kisses drove you crazy. And now you cant remember me at all! But Judy was beginning to feel aroused by the womans hand. The long, slender fingers were soothing and restful; she couldnt help half closing her eyes and relaxing under their pressure, the soft fondling at the nape of her neck inducing a tenderness in the girl, a warm glow of affection. Perhaps, after all, she did enjoy the sexual charms of another woman, Judy thought dreamily. And the notion wasnt quite so disturbing to her now. She could feel Debra presence on the couch beside her even though her eyes were closed. There was an electric magnetism passing between them, a current which drew Vanessa slowly but inexorably closer and closer to the woman, until her lips were once again brushing Debras. After a night of incredibly debauched excess, Judy wake with absolutely no memory of who she? No memory of what she does or how she does it, who she loves or how she loves. And is she sure in for a shock when encounter after encounter with TV celebrities, photographers, and models all presume her to be the wanton libertine they know her to be. Reticient at first, not knowing who to trust her stunning body with, she soon slips into a spot of role play and in so doing is surprised when she discovers how naughty she can truly be. From many a lesbian liaison with knowing models, to some kinkier BDSM play with her rich and supposed lover, from unrestrained swinger orgies to slow seductions, our young fashion designer will lose herself in complete orgiastic abandon.

But will her memory return and until it does, is she really who she thinks she is. Its going to be quite the rollicking ride finding out.
