

Silverfist: Extreme Play

Lacy discovered a hot, naughty secret about her long time best friend Rob: they share the same extreme and intense fetish. In a few hours Rob will be leaving for Las Vegas. Lacy, though, isn't going to let him run off to Sin City without making the most of their last few hours together. Shy and restrained for years, Lacy finally gets over her hangups and lets Rob know how she feels, what she needs, and how deep and hard she wants it.
