

Foundations of Law: Cases, Commentary and Ethics

This updated text presents the basic concepts of law and the legal system for paralegal students, including coverage of the court structure, ethical issues, roles of legal personnel, legislation and adjudication, and legal procedure. Through the analyses of case studies, legal principles are illustrated and reinforced, ensuring a solid foundation for continued learning. A chapter on Family Law has been added, and many of the case studies have been updated to address current issues affecting the legal system today.
