A long forgotten Ancient kingdom has been awakened and threatens to change the Dragonkin world forever. Can passion weather the dragons storm? The only true pleasures in life Conall Hamilton yearned for were to marry a good woman, raise a family, and hide away into seclusion to live a normal life away from battle and war, not an easy task for the Dragonkin warrior and Clan Douglass second in command. Assigned to investigate an allied clan, he vows upon his return to marry his love, Effie. That's until the Dragonkin warrior finds himself accused of a crime he did not commit, murder. Imprisoned, he must find a way to escape not only to save his own life but to save the life of the woman he loves. In time the past will catch up with you Effie Douglas is a survivor. Though not born a Douglas, Effie leaves her old life behind to seek safety within Clan Douglas. For five years Conall Hamilton has been her secret lover and savior, helping her pick up the pieces of her damaged past. Hiding the true nature of their relationship from their clan had become a burden for the red-headed lass and now she desires more. She wants Conall's name. When Effie is summoned home, she is plagued with unwanted memories, treachery, and new found information that will change her life forever. Will Effie have the courage and strength to weather the storm that rages around her?
