

PIRATE BRIDE 2: A erotic mystery historical drama and romance suspense thriller

Josephine Penny and her three captive handmaidens are back, and her affair and mystery with Captain Hawthorne has her friends and the pirate crew wondering what will happen next. The pretty blonde daughter of the colony of the South Carolina governor has to make more choices over wet waters and Hawthornes saber still is what runs through her body and her emotions and thoughts. Her ladies add more naked contributions on the sailing vessel to keep the waters boiling around them, and Josies fiance Carlton Seymour is prisoner in the ships hold and needing ransom and hostage finesse also.

The blonde young beauty is a new woman in her discovered sexuality, and every weapon needs to be put to use to find her way to climb above it all to the birds nest where she can see more clearly her true desires. Violet Dupree keeps playing her games to help or torment her, and Captain Hawk is the leader of them all who might just have more of his plans for them coming to roost. When they see the island retreat of Nassau Bahama in their sights, their destination becomes less clear the more the ladies show of themselves. Then they roll out the barrels again to make their points to each other. Ransom demands come with wild conditions to be negotiated and all for one might not be one for all.
