

# A Guide to Mediating in Scotland

A Guide to Mediating in Scotland looks at the diverse ways that mediation is being developed and used in Scotland. It highlights the basic skills of a mediator and explores what works in different practice areas, looking at what they have in common and the differences between them. As a comparative guide to the different areas of mediation that are developing across Scotland, it gives an overview of the breadth and diversity of mediation, and an insight into the work of the Scottish Mediation Network.
