

Above the Lighthouses - Lake Michigan

This is a large hard cover coffee table style book in full color with 215 gorgeous aerial photos showing EVERY lighthouse on Lake Michigan. There are both close-up views and also scenic area shots beautifully illustrating each lighthouse appearance and surroundings from the unique aerial perspective. All four seasons are represented. The book also contains lighthouse location maps for each of the four states bordering Lake Michigan and a complete index.

Excellent showing what the lighthouse looks like covered in snow and ice and during warmer months. Stunning pictures. Author signed the With hundreds of miles of coastline, West Michigan is dotted with lighthouses that for over a century have been guiding those navigating theAerial Photography of Lake Michigan Lighthouses by Marge Beaver.
