

## Lure of the Jaguar (Hades Carnival Book 7)

Hades has one last trick up his sleeve...and this cat is running out of lives. Hades Carnival, Book 7. The curse that imprisoned the Lady of the Beasts warriors is broken. Their mates are safe from Hades, but not their human friends. As the only unmated warrior, Stavros retreats to the Louisiana bayou. Better to be alone than put anyone else in danger. Then he senses a presence in his woods. It's a woman stalking wildlife with her camera, a woman who has unwittingly put herself on Hades radar for she is Stavros mate. Wildlife photographer Toni Richards doesn't need any man to be her hero. But when three suspicious men try to kidnap her, she's shocked when the rare jaguar she's been tracking leaps to her rescue then morphs into a man. An incredibly sexy man with a jaguar tattoo snarling across his back. Despite his better judgment, Stavros can't keep his distance, even though he knows that when the time comes, much will have to be sacrificed to foil Hades plans. Stavros prays Toni will forgive him for what he must do to protect her soul. Warning: A shapeshifting warrior, an intrepid photographer, and a vengeful god generate enough heat in the bayou to send the entire state up in flames.
