After teasing turns to action, Gina learns she's bitten off more than she can chew with her sexy neighbor, George. Now she has to decide if she wants to play it safe or take a walk on the wild side. Gina's sexy neighbor, George, fuels her fantasies, but the perpetual good girl keeps her thoughts to herself, until frustration loosens the tongue of the wild child in her and she taunts him into making a move. After an evening of sexual excess, Gina embarks on a series of erotic adventures with her neighbor, each one more risky than the last. George increases the stakes in their relationship when, during a special weekend, he introduces Gina to a friend, Garrick, whose sexual interests match their own. Together, Gina, George, and Garrick explore a bond unlike any in their pasts and needs only the three of them together can satisfy.**Word Count: 32,726.
