

# Morgan Three-Wheeler: The Complete Story

The Morgan Motor Company - now the last independent British car manufacturer - forged its reputation with a remarkable range of three-wheeler cycle cars that offered startling value for money and astonishing performance. Produced from before the First World War until after the Second World War, Morgan Three-wheelers came in many shapes and sizes, and Peter Miller has researched the subject in detail, offering information on every model and type. Covers the remarkable racing and record-breaking achievements of these iconic cars. This well-illustrated book will appeal to all enthusiasts of pre-war light and sporting cars.
