

Pussy in Boots (Naughty Fairy Tales)

Cate was once a mischievous milkmaid. Now the victim of a witch's spell, she's simply Catfeline by daylight, female by night. For one who knows how to make the best of a bad situation, it's not just a curse, it's an opportunity. Naughty adventure beckons. Until she meets a man who makes her yearn for a permanent woman's body again. Peter assumes it's coincidence that his vivid, erotic dreams began soon after he adopted an affectionate stray cat. Besides, as much as he enjoys their nightly escapades, he wants more than a sexy apparition who only comes in darkness. When Peter thinks he's in love with another, Cat must help her beloved master win his heart's desire. Although she'll lose him forever, that selfless deed will undo the witch's curse. Will Cat's heart pay the price for Happily Ever After? Or will Peter find that dreams can come true?
