

Her Interracial Swapping Initiation

When Jenny and her lover are approached by four of their good friends to partake in a spot of sexual-boundary testing, our lithe and inexperienced young beauty has no idea what she is about to let herself in for. Full same-room interracial and bisexual swapping ensues as each willing participant delves deeper into wild lascivious abandon. Every deed and device, position, front and rear, and combination is thoroughly explored in unabashedly graphic detail that will leave our group panting for more. Is there no stopping these daring libertines when in full swinging? Apparently not.
