

# Sometimes I Wake Up Grumpy...and Sometimes I Let Him Sleep

Wouldnt it be nice if we were always gracious and at our best? If PMS didnt secretly stand for Psychotic Mood Swings? If the men in our lives could be better behaved? If life didnt brim with bad-hair days and broken dreams and baffling relationships? So, how do we cope? Can we learn to cry, laugh, and love without losing ourselves in the process? Can we seize the best and forgive the rest? Life is filled with bedlam and blessings; it is both blemished and beautiful. In the laugh-a-minute tradition of her best-seller, Just Hand Over the Chocolate, Linamen again mixes a potion that helps women find the inner strength to embrace it all.
