Amid the unspoiled but unforgiving Yukon wilderness, Dr. Erica Johanssen an ambitious and focused biologist studying the effects of global warming ? was content being alone in the woods with the wildlife being her only company. But the arrival of Greg, her young new research assistant from the University of Alberta, shattered her peaceful solitude. Now both Erica and Greg are torn between academic integrity and allowing animal instincts to take over. Erica strugglessould a professor and student give in and become as untamed as the wildlife?
