When he suggests that she can earn the contract for her company if she plays a game with him, her interest is piqued. Though she is nervous about it, she cant help but be attracted to Mr. Banks and decides to take a chance. Katie doesnt realize just how far she will be pushed before she gets what she wants Excerpt:He walked in, enjoying his view of me, sweaty, desperate, dirty. I panted softly, too tired to make a cutting remark about how long he had been away. He walked towards me, a paper bag in his other hand, casually throwing it onto the bed. His brown eyes bore into mine as he eased his hand between my legs, feeling the slippery heat. I gasped as his fingers slid up and down my slit, spreading the wetness. I arched my back, eager for his fingers to slide into my hungry lips.He chuckled knowingly and suddenly jerked his hand free. My hips grasped at air as my mind reeled in confusion.
