

Suck Me Dry: Sexually Frustrated

Tiffany has been with her loving fiancée, Amari, since she was fifteen years old. He was her first and will be her last if she doesn't have some type of fun before they get married next year. The college life has done nothing but torment her of everything she's missing sexually because Amari is an old-fashioned lover. When he leaves for a weekend business trip, Tiffany decides to let her hair down and fulfill those sexual desires/fantasies. Her best friend, Desiree, is going to show her what she's been missing at the pajama party she has planned for them. Little does Tiffany know, her desires will also bring secret crushes to surface and this very well may be the weekend secret to take to her grave.
