Don't we all deserve a chance to explore our deepest, darkest fantasies? Lila Donovan must make a choice: should she marry nice, plain vanilla Eric- her loyal but incredibly boring fiancé? Or should she take a walk on the wild side before settling down? Deciding to take the leap, Lila agrees to become a sex slave at Webster House- and submit to a imaginative variety of wicked sex acts. Part 1: Before she can meet her new Master and Mistress, Lila must be cleaned thoroughly, inside and out. Then she is measured by a sadistic doctor who does things to her no doctor ever has before. When she wakes up in her new quarters, she and her fellow slave Wendy are given a special breakfast their guards are only too happy to provide. Part 2: Its day two and time to meet her new Master and Mistress- both of whom must be thoroughly pleased before the day is done. Part 3: Lila is introduced to an experience she won't soon forget courtesy of Wendy. But with the help of an admiring guard, Lila gets revenge... and it involves an oversized spoon and a pint of ice cream. In yet another tantalizing scene, Lila meets with Master Keith and Mistress Jessica again and they introduce her to their favorite game: slave-in-the-middle. Part 4: A storm is brewing and Lila is invited to her first party at Webster House. Master Keith and Mistress Jessica have invited all their fellow Masters and slaves from the area to ride out the hurricane in their basement dungeon. What follows is a BDSM sexual free-for-all, the likes of which Lila had never imagined. Bonus Chapters: The six guards of Webster House spend the morning with Lila and her fellow sex slave, Wendy. All options are explored. All this and many more sexual adventures abound in this combined volume of the Enslaved series. Adult Content!
