

A Hard Lesson: Alpha Menage (The Dara Nichols Series Book 1)

College Professor Dara Nichols is accustomed to calling the shots... until a few of her hot male students take her in hand... From New York Times bestselling author of A Terrible Love... Dara is a hot college professor who has more than teaching English Lit on her mind. When her cougar instincts come on line, a few male students teach her a lesson instead... Excerpt: Her head was bowed as she leaned over her desk, grabbing papers, organizing, recycling others and stacking some to put in her briefcase...when a large hand came down on the stack in front of her. She looked up and it was Ryan. She liked to think of him as the ringleader...the one that always had a wisecrack when she pressed him for an answer, a legitimate answer. She couldn't nail him on outright rudeness and inappropriate behavior. Oh-no, not him, he rode that fine line between what he knew would get him nailed and what would get him noticed. Dara was noticing. She straightened, arching her back slightly and he looked at the lacy cami she wore under her low cut top. A lock of hair fell forward and she moved to put it behind her ear and he touched the strand, fingering it, then gently put it behind her ear. Dara stepped away from the intimate touch, Not-appropriate, Ryan. Ryan turned to the rest of the guys standing there and said, Hit the lock. Her heart sped, she belatedly realized that this was her last class and all the rest of her students had left soundlessly through the solid wood door, thoughts of the weekend stretched before them. Don't touch that, she said in a breathy voice. Kevin, a six-foot three, muscular football scholarship student ignored her, turning the dead bolt lock and Dara jumped as it snapped into place. Coming to her senses, she rounded the desk, her heels clicking on the hard floor, dimly realizing that Jason was systematically closing all the blinds on the windows which faced the outside...
