

Gaming: Teachers Guide & Classroom Resources (Studying Films)

Gaming is now an important Media Studies issue, yet there has to-date been very little material available for teachers to use in the classroom. Dave Harrison, a Media teacher and former gaming journalist, has written the ideal introduction to the topic for educators. Covering the history of videogames from Pong to Angry Birds and offering in-depth coverage of game genres, audiences, marketing and promotion and including ideas for classroom work and discussion, Gaming aims to make the delivery of this topic accessible to all.
