

I was Under Her Femdom Control: Eric Blue LLC (Scars of the Whip Training Book 4)

Paul, the new slave, must begin his training as soon as possible. He learns he will be trained at a special academy where both men and women are trained to serve their Dominant Mistresses. He finds that pain and sexual abstinence are the key to his training and although he understands their motivating factors, he cannot keep them from creating a tormenting effect. He will serve women, be they straight or lesbian, and his satisfaction will be trained into him as only the love to satisfy the female. He will never have sex unless he can escape from this training academy and that seems almost impossible.
