

Marketing Justice: The Verdict is in: How Attorneys can win against predatory ad agencies

Marketing Justice discovers all the ways attorneys overpay for their marketing and advertising and how to not only prevent overpaying for their services, but how to implement ROI based marketing initiatives that will help them stand above the other attorneys in their area. Using plain and simple words as opposed to technical jargon, Marketing Justice is aimed at helping attorneys get their marketing expenses under control, understand what they are spending, learn how to track and measure the results, and learn exactly what they are paying for. Marketing Justice is the solution for attorneys looking to find out where their marketing dollars are going and how best to optimize their spending to produce maximum results that are trackable.
