

## Weekend Warriors (Sisterhood Series)

Life isn't fair. Most women know it. But what can you do about it? Plenty if you're part of the Sisterhood. On the surface, these seven women are as different as can be - but each has had her share of bad luck, from cheating husbands to sexist colleagues to a legal system that often doesn't do its job. Now, drawn together by tragedy, they're forging a bond that will help them right the wrongs committed against them and discover an inner strength they didn't know they had. Growing bolder with each act of justice, the Sisterhood is learning that when bad things happen, you can roll over and play dead or you can get up fighting. In the tradition of *The First Wives Club*, *WEEKEND WARRIORS* is a slam-bang, take-no-prisoners tale of survival, sweet revenge, and the healing power of friendship. Readers who grow weary of seeing the bad guys get away with their crimes will enjoy seeing what happens when well-funded, very angry women take the law into their own hands. - Booklist
