Nothing distracted true blue police detective John Gallagher from his work certainly not a woman. Until a mysterious death led him to Thea Lockhart's door. One look in Thea's beautiful, haunted eyes and John wanted to run from visions of love, marriage and forever! But Thea's little girl might be the only witness to murder. Betrayed by the law that should have protected her, Thea had given up her identity to save her daughter. The last person she should trust was a policeman but something in John's steady gaze made her hope. If she told him the truth about her past, did she dare believe this man could be her future?
