

Taylor's New Chauffeur (The Black Chauffeur Book 1)

Taylor is a spoiled rotten, arrogant Beverly Hills princess with a bad habit of hitting or throwing things at servants and store clerks who annoy her. Its not like theyre people, after all! When she loses her drivers license her father hires a muscular Black chauffeur to drive her around and keep her out of trouble. Blonde Taylor has no respect for anyone not rich, but she has even less for minorities. After her taunts get her pulled across his lap for a shocking, outrageous and darkly exciting reprimand, Taylor is horrified to find herself obsessed with the man, her mind filled with darkly forbidding fantasies! He, meanwhile, sets out to teach Taylor that blonde girls are owned by Black men, to be manhandled and used at their leisure, however roughly they desire!
