

ZombieWorld: Champion of the Worms (2nd edition) (Zombie World)

Every year, publishers and movie studios churn out piles of new zombie yarns, but none have rivaled the originality of this tale about a reanimated priest from an ancient cult and the zombie outbreak he creates in order to sacrifice mankind to his dark gods. Dark horror and high adventure mingle as a team of heroes race against an unstoppable evil bent on the end of mankind. Written by Hellboy and B.P.R.D. creator Mike Mignola! Collecting the original three-issue miniseries, plus sketchbook material and updated commentary by Pat McEown, this new edition features a new cover by Mike Mignola and is the perfect package to reintroduce readers to this contemporary horror classic.
